1. Subscription Plans & Automatic Renewal

Chubby's Little Moments Club is a quarterly subscription service that provides families with seasonal photography activities, memory-making experiences, and keepsakes.

- Subscriptions are billed automatically **every three (3) months from your original sign-up date**.
- Your subscription will continue to renew automatically every three months until you choose to cancel.
- By purchasing a subscription, you authorize recurring charges to your selected payment method at the subscription rate disclosed during checkout.
- Each successful quarterly payment covers one seasonal Little Moments Club box.

Your subscription does not automatically end after four boxes or one calendar year. It will remain active until canceled by the subscriber.

2. Seasonal Box Schedule

Chubby's Little Moments Club follows four seasonal collections throughout the year.

Season Dates

- *Spring March 1 – May 31,*
- *Summer June 1 – August 31,*
- *Fall September 1 – November 30,*
- *Winter December 1 – February 28 (or February 29 during leap years)*

Each seasonal box includes themed photography challenges, family activities, memory-making materials, and collectible Chubby keepsakes.

The seasonal collection associated with your order will be determined by the date your subscription payment is processed.

3. Subscription Billing & Shipping

Your subscription renews every three months based on the date you originally subscribed. For example, if you sign up on March 15, your subsequent subscription charges will generally occur on June 15, September 15, December 15, and so on.

Recurring subscription boxes will be prepared and shipped within three to five (3–5) days following successful payment, and no later than five (5) calendar days after the charge is processed.

Please note:

- Shipping time refers to when your box is dispatched, not when it arrives at your home.
- Carrier delivery times may vary depending on your location and shipping provider.
- Customers are responsible for providing an accurate and current shipping address.

4. No Refund Policy

All subscription box purchases are final and non-refundable once payment has been successfully processed, except where otherwise required by applicable law.**

Because each Little Moments Club box contains specially prepared seasonal materials and keepsakes, we do not offer refunds for purchased subscription shipments.

This policy applies to both initial subscription purchases and recurring subscription charges.

Choosing to cancel your subscription after a payment has been processed does not cancel or refund that already-purchased shipment.

Any subscription box that has already been successfully charged will still be prepared and shipped according to our regular fulfillment schedule.

5. Subscription Cancellation Policy

We understand that plans and circumstances change, and you may cancel your subscription at any time. However, all cancellation requests must be completed at least 48 hours before your next scheduled billing date to prevent the upcoming charge. Please keep the following in mind:
- Cancellations completed at least 48 hours before the next scheduled charge will stop future subscription renewals.
- Cancellation requests made within 48 hours of the next scheduled charge may not prevent that upcoming payment.
- If payment is successfully processed before the cancellation takes effect, the purchased box is non-refundable, except as required by law.
- Canceling your subscription prevents future renewals but does not refund previously purchased boxes.

Your subscription will continue to renew every three months until it has been successfully canceled.
To cancel, please use the subscription management option provided with your account or contact our business through the cancellation method listed on our website.

6. Seasonal Collections & Subscription Start Dates

Your subscription begins on the date of your initial purchase, regardless of which seasonal collection is currently available.
You do not need to wait until the beginning of a new season to join Chubby's Little Moments Club.
Your billing cycle will remain based on your original subscription date, rather than restarting at the beginning of each season.

7. Optional Add-Ons & Additional Purchases

Optional products such as Chubby's Book of Little Moments, sibling activity packs, professional photo-printing upgrades, and limited-edition holiday boxes may be offered separately.
These items are not included in the standard quarterly subscription unless specifically stated at checkout.
Any additional charges, product details, and fulfillment arrangements will be provided before purchase.

8. Questions or Subscription Assistance

We want your Little Moments Club experience to be enjoyable, memorable, and easy to manage.
